Answer all the questions. Write your answers within the given spaces.

01.)

1.1) State four (04) benefits / advantages of following APA guidelines in academic writing.

- 1.
- 2.
- 3.
- 4.

(12 Marks)

1.2) According to the APA guidelines, write four main items which an author should include in each entry of a reference?

- 1.
- 2.
- 3.
- 4.

(04 Marks)

02.) The following questions (2.1, 2.2 and 2.3) are based on the paragraph from Jones’s study in 1998, regarding APA style in page 199.

“Students often had difficulty in using APA style, especially when it was their first time citing sources. This difficulty could be attributed to the fact that many students failed to purchase a style manual or to ask their teacher for help.”

2.1) Make a direct quotation of Jones’s work according to the APA guidelines.

(05 Marks)

03.) Following paragraph is taken from the article of Ramona T. Mercer on "Mothers' unique relationship with their infants" which is published in the year 2004 in Journal of Nursing Scholarship in pages 230 to 236.

As the mothers began developing unique relationships with their infants during the first two weeks, the newborns became more real, and they realized the permanence of the relationship (Martell, 2001). Women described a warm, changing relationship with their partners and feelings of being more linked to their mothers, mothers-in-law, and other women.

3.1 Assume that you want to cite Martell's work given in Ramona T. Mercer's article in an Assignment you are writing.

Write the reference (i) that should be appeared within your text.
(ii) that should be appeared in your reference list

(i)

(ii)
