Please make sure that your handwriting is legible.

It is an examination offence to have mobile phones, smart watches or any other electronic device, or unauthorized documents in your possession in the examination hall.

This question has been given to you earlier to prepare for it.

Question

1. What laws, regulations and policies govern the management of solid waste in Sri Lanka?
2. Analyse these laws, regulations and policies and explain whether you think that they are adequate to address this problem.
3. In the light of your analysis and what is currently taking place in Sri Lanka regarding the issue of solid waste management, make recommendations to formulate a solid waste management policy for Sri Lanka.
4. You can also cite laws and policies in other countries in your discussion.
