Part D – Short Essay Questions (SEQ) **(20 marks)**

Answer within the given space.

Question 01 **(10 marks)**

Children are naturally curious, impulsive, and impatient. Usually they are less careful and less willing to listen to warnings. Due to this nature, they are more prone for accidents at home. An estimated 90% of all accidents are preventable. Educating parents regarding protective measure to prevent those accidents as much as possible is a major part of the nurses'role. Describe how would you educate parents to prevent/ reduce the risk for following home accidents

1.1. Acute poisoning with medicines/ chemicals

1.2. Electric shocks
